

# Tuition Reduction Incentive Program

## NEWS

If you are not familiar with T.R.I.P. at LCHS, now is the time to give it a try. It is a great way to reduce your tuition expenses. Any money earned through participating businesses this year will be applied to your tuition account. For those of you new to T.R.I.P. it is easy to get started. First go to [www.shopwithscrip.com](http://www.shopwithscrip.com). You may learn about the program before registering by clicking on Getting Started. You may also download the Family User Guide from the home page. Click on new member. This will take you to the registration page. Complete the registration and read the Terms of Use and Privacy Policy. Click on I accept if you agree (Note: the registration process does ask for your e-mail address. Shopwithscrip.com will only send e-mails to confirm registration and alert you of system downtime. We may send e-mails to announce special offers or school related changes.) Once registered as a member, Shopwithscrip.com will be your ordering system and you will also be able to keep track of your T.R.I.P. account and have up-to-date information concerning all participating retailers. No more surprise last minute changes. **Please read the family user guide before placing your first order.**

After registering, you will be asked to identify the nonprofit organization of which you are a member. The code for LCHS is **761CB4BE158**. After your initial registration, you will go directly to your account dashboard after login.

For those of you already familiar with Shopwithscrip.com, they have added several new features. LCHS has signed on to participate in their **Presto Pay** program. Through **Presto Pay** you may make your payments on line. **Presto Pay** is a direct withdrawal from your checking account. If you want to participate in **Presto Pay** there is a complete description on the web site. It does take a couple of days to set up and verify your account. Don't sign up for **Presto Pay** on Tuesday and expect to use it on Wednesday. Allow a few days. There is a \$.15 fee to use this payment option. There is also a steep (\$30) charge for any orders placed with insufficient funds. You must have a **Presto Pay** account to take full advantage of *scripnow!* options.

### **T.R.I.P. Procedures -**

- Orders must be placed and payment must be made (Cash, check or Presto Pay) by 8:30 am on Tuesday.
