

All students who wish to park a vehicle on school premises during the school day are required to have a new parking permit yearly. Please fill out this form and turn it in by no later than **the last Friday in May**. After that date, a lottery will be drawn for parking spaces. Next year's seniors will be assigned spots nearest the school, then juniors, sophomores and finally, freshmen. If you are unable to come to the school on this day, please submit this form to the school office **prior to** the last Friday in May. All students registered after this deadline will be assigned remaining spots. Parking an unregistered vehicle may result in loss of parking privileges. Thank you for your cooperation.
