

All Students who wish to park a vehicle on school premises during the school day are required to have a **new parking permit yearly**. Please fill out this form and turn it in by no later than the last school day in **May**. After that date, a lottery will be drawn for parking spaces. Seniors will be assigned spots nearest the school, then juniors, sophomores and finally freshmen. All students registered after May will be assigned remaining spots. Parking an unregistered vehicle may result in loss of parking privileges. Thank you for your cooperation.
